Message from Chief John O'Nabigon

Boozhoo Members,

Since being elected Chief in January 2026, I have had the honour of serving our community and working alongside Council, staff, Elders, youth, and members to advance priorities that matter to Long Lake 58. Over the past year, our efforts have focused on strengthening community safety and wellness, improving Highway 11 safety, advancing our land claim negotiations, planning for future housing and infrastructure needs, supporting economic opportunities, and building a stronger and more accountable administration.

Throughout this work, our goal has been to ensure that the voices, needs, and aspirations of our members remain at the centre of every discussion and decision. We have worked to build partnerships, advocate for our rights and interests, and create opportunities that will benefit current and future generations. While there is still much work ahead, the progress made this year reflects the dedication, resilience, and commitment of our people. Together, we continue to build a safer, healthier, and more prosperous future for Long Lake 58, rooted in our values, our community, and our shared vision for the generations to come.

2026 Annual General Meeting

"Building Together, Moving Forward"

Program Information Tables

Program information tables will be set up throughout the Gym, giving members the opportunity to engage directly with program managers and staff. Members are encouraged to visit each table to learn about available services, ask questions, and share feedback.

Registration, Welcome Bags & Prize Draw Opportunities

All attendees are encouraged to register upon arrival and will receive a welcome bag containing a notebook and pen for recording questions and reflections, along with Anishinaabemowin household labels to support the continued use of our language in the home. Members are also invited to take part in the Booth Passport Activity by visiting each department display, speaking with staff, and collecting a signature at each station. Completed passport cards will be entered into a special prize draw. Registration also provides eligibility for additional prize draws held throughout the gathering, recognizing and encouraging active participation in the Assembly.

AGM Participant Feedback Survey

As part of our commitment to *Building Together, Moving Forward*, all AGM participants will be invited to complete a short feedback survey following the Annual General Meeting. The survey will be available both online through a QR code and in paper format at the event. Your feedback will help Chief and Council, staff, and program areas continue improving future gatherings and ensuring members' voices are heard.

As a thank you for your participation, completed surveys will be entered into a prize draw. To be eligible for the draw, participants must provide their name on the survey. Survey responses will be reviewed and summarized to help guide future AGM planning and priorities.

Miigwetch for helping us build a stronger future together.
