Employment Opportunity

Long Lake #58 First Nation Education Authority
is looking to fill the following positon:

Breakfast/Lunch Cooks (2)

Location: Migizi Wazisin Elementary School (MWES) &
Miigwanan Secondary School (MMSS)

Position Summary

We are seeking dependable, organized, and motivated individuals to prepare and serve nutritious breakfasts and lunches for students attending Migizi Schools.

The School Cooks will be responsible for planning, preparing, and serving meals that meet the nutritional needs of children and youth. The successful candidates will help create a welcoming and positive mealtime environment while ensuring that food is prepared, handled, stored, and served in accordance with established food safety standards.

The successful candidate should enjoy working with children and understand the importance of providing healthy, nutritious meals that support student well-being, learning, and success.

Qualifications and Requirements

- High school diploma or equivalent preferred.
- Food Handler Certification or willingness to obtain certification.
- Previous experience in cooking, food preparation, catering, or institutional food services is preferred.
- Knowledge of safe food handling, food storage, and kitchen sanitation practices.
- Ability to plan and prepare nutritious meals for children and youth.
- Knowledge of basic nutrition and dietary requirements.
- Ability to accommodate food allergies and special dietary needs.
- Strong organizational and time-management skills.
- Ability to work independently and as part of a team.
- Ability to work in a busy kitchen environment and manage multiple tasks.
- Demonstrated reliability, dependability, and punctuality.
- A positive attitude and an interest in supporting the health and well-being of students.

Additional Requirements

- Current First Aid and CPR certification or willingness to obtain.
- Satisfactory Vulnerable Sector Check.
- Ability to meet all applicable workplace health and safety requirements.
