The Lands and Environmental Coordinator is responsible for supporting the operation of the Economic Development Department.

Duties and Responsibilities

- Assist the lands team in all facets of lands management: research for law development, procedures, land management policies, operational planning and evaluation.
- Maintain and update work plans and budgets.
- Develop, implement, and enforce environmental policies and land laws:
 - Environmental management plan.
 - Environmental assessment.
 - Risk-level assessment scale.
 - Environmental protection.
 - Governance structures.
 - Ancillary activities related to lands and environment.
- Coordinate the completion of environmental site assessment and site remediations of LL58FN lands.
- The Lands and Environmental Coordinator will implement the LL#58FN Land Code.
- Implement and update land use plans, environmental management plans, land laws, and the LL#58FN Environmental Assessment Law.
- Develop a process and templates for LL#58FN land permits and leases.
- Evaluate federal, provincial and municipal policies, legislation, and regulations.
- Liaise and partnership with members, the Lands Committee, Chief and Council, third-party stakeholders and both provincial and federal government bodies.
- Responsible for the creation and implementation of Lands Department work plans and budgets.
- Present information at workshops and meetings.
- Submit updates for the Lands and Economic Department Newsletter.
- Provide support, guidance, and information on the LL#58FN Land Code and its related policies, procedures, and land laws.
- Review and report on current trends, opportunities and challenges affecting LL#58FN lands and environment.

- Keep up to date on business best-practices and provide recommendations to enhance current practices.
- Prepare reports, correspondence, program materials or other written documents.
- Support management in strategic planning and program implementation.
- Prepare regular progress reports for the Lands and Economic Development Manager.
- Supervise and lead staff in the Lands Department while creating work plans and monitoring staff performance
- Design, submit, and implement proposals for land law development and other land and environment strategies and initiatives.
- Frequent travel and flexibility to work outside of regular office hours may be required.
- All other duties, as assigned.

Accountability

The Lands and Environmental Coordinator is accountable to and is under the day-to-day supervision of the Manager of Lands and Economic Development.

Education and Skill Requirements

Education and Experience

- Diploma or degree in related field (law, management, natural resources, environment sciences, etc.) or combination of education and considerable work experience.
- At least 2 years related work experience.
- Experience working in a First Nation Organization.

Desirable Skills

- Excellent verbal presentation and group-collaboration skills.
- Coordinating and facilitating community meetings/discussions.
- Excellent interpersonal and relationship building skills to foster relationships with potential business partners, community members and Chief & Council.
- Ability to take initiative and a willingness to learn.
- Ability to work independently and as part of the Lands and Economic Development Team.
- Excellent verbal, written, presentation and record-keeping skills.
- Excellent computer skills and familiarity with Microsoft office software.
